

How an Applicant Can Retrieve Waybill Information and Passport Shipment Status

1. Go to <http://usvisa-info.com>
2. Select the desired country from the drop-down list.
3. Click on “Log In” on the top right corner section of the Web site.
4. Provide the passport number, nationality and date of birth. These must be the same you used for booking your appointment.
5. The waybill number and the status will be on the Applicant Summary page as shown in the image below:

Applicant Information
